Speedwell Talk March 16, 2016

How to Grow Older Without Feeling Old: Insights from our ancient origins.

My talk at Oxford Uni went well. Mary Perryman, Speedwell organiser reports this feedback from the audience:

- "Geoff was at his best last night. He speaks with passion, conviction and a thoroughly good knowledge of his subject matter. A first class orator. ☺"
- "Geoff's talk was Outstanding!. One of the best lectures I have heard in Oxford."

Mary adds on her own behalf:

- "Thank you so much for your talk yesterday evening. It was excellent and your best so far! It was much appreciated by the audience as I am sure you noticed. We'd love you to come again next March!"

Attendee Derek Carter also says:

- "Thanks for being there for us Geoff. You are an inspirational conviction speaker. A most informative lecture this evening for the Speedwell Trust in Oxford."
